

CAN YOU ANSWER “NO” TO BOTH OF THESE QUESTIONS?

- 1.** Have you had close contact in the last 14 days with someone diagnosed with COVID-19, or have you been advised by a health department employee that you should be in quarantine?
- 2.** Since last week, have you had any of these symptoms?
 - Fever as determined by a measured temp of 100.4 °F or greater
 - Chills
 - Shortness of breath or difficulty breathing
 - New cough
 - New loss of taste or smell

If you answered “YES” to either of these questions: please distance yourself from others, call your health care provider, and join us in-person at another time.
